GUESTS:

Jennifer Moore, KCE Director, stopped by to check with the Trustees and community and gave a brief report on the state of Kenston Community Education. She commented on how much they use Auburn Community Park.

Jennifer spoke to the gentleman that attended our last meeting asking for a cricket court at the park. She updated the Trustees that the court would need a 70' cement pitch pad and a 70 yard diameter grass field. His group wants to donate \$10,000.00 toward the project. Questions were raised about the viability of time use of the field.

Ms. Moore reported they have an after school program for 30 kids which concentrates on a lot of physical activities. There is also a morning program offered that has picked up quite a bit from last year. Enrollment went from 8 kids to 20 kids this year. Baseball has seen a decline this year, not as much in demand.

Motion by Patrick J. Cavanagh seconded by Eugene T. McCune Jr. to approve the minutes of the Regular Meeting of the Board of Trustees held on February 21, 2022. VO TE: Cavanagh, yes; McCune, yes. The motion passed.

REPORTS:

Frank Kitko, Zoning Inspector, submitted a zoning report reflecting 5 applications processed in the month of February resulting in 4 permits issued. Mr. Kitko has noticed a trend where builders are leaving it up to homeowners to secure permits, take care of silt fences, etc. This is causing issues with projects.

He brought up issues with Bartholomew Road and Auburn Road area. This is a wet area and builders need delineations to identify wetlands and setbacks.

REPORTS (continued):	

Emerick P. Gordon, Township Highway Superintendent, gave the following report for February:

- The month saw 12 weather events that required 20 rounds of plowing and or salting. A total of 552 tons of deicing material was used. This brings our new monthly average to 510 tons. Currently we have ~ 1500 tons of road salt in our dome and the ability to purchase an additional 700 tons on the 2021/2022 contract.
- The 33% reduced load limit signs were installed and will be removed upon notification from the Geauga County Commissioners. One stop sign had to be replaced after taking several rounds from a firearm. Signage grants should soon be explored as we approach the 10 year attrition reflectivity mark for our installed control sign inventory.
- Cold patching was done on several roads and will continue until the asphalt plants open. The severity of damage from the freeze and thaw cycles to our roads will soon be apparent after the rating of the road surfaces in April. The volatility in the petroleum markets may have an impact on our crack seal program as we have seen an adjustment to our resurfacing costs.
- There was one downed tree on Luck Bell and several limbs and branches on various roads from heavy ice during the February 17th-18th storm.
- Meetings and dialogue continue with the Geauga County Engineers office pertaining to our current capital improvement projects. The Stafford Rd. Project is moving forward and our resurfacing and chip seal projects will soon be out to bid.

Mr. Gordon reported the deterioration of Moreland Lane is becoming a big issue, similar to Ascot and Belmont Lanes. This could cost up to 75% of our typical road budget to resurface and repair. We will be doing road repairs until resurfacing can be done.

The Trustees recognized Cullen Femring, 8th grade Auburn Boy Scout from Troop 102. Cullen was present to fulfill requirements for his government badge.

Patrick J. Cavanagh made application for guardrail repairs. He reported the cemetery fence is ordered.

Eugene T. McCune Jr. met with the logging professional and solicited a quote for a possible harvest of trees at Shadyside Cemetery.

Fredrick May, Fiscal Officer, presented an Appropriations Report, Fund Status Report, Revenue Report and a Payment Report listing warrants 66-2022 – 79-2022 and 6961-7019 for a total of \$64,423.48
