Continuation of BZA-2022-06v--an appeal requesting a variance, submitted by Pearce Projects LLC/Charles Pearce for Michael and Lori Dodge from the Auburn Township Zoning Resolution, Schedule 4.03(k); Residential District Schedule, Minimum Yard Depth, Front--65' required, 55' proposed, for an addition located at 10994 Taylor May Road, Auburn Township OH 44023 in the R-2 zoning district.

The meeting was called to order by Chairman Doug Hogan. Mr. Hogan noted that this meeting was a continuation of the July 12, 2022, meeting for BZA-2022-06v.

Mr. Hogan summarized the previous meeting which was recessed for the applicant to obtain a survey. Mr. Dodge did get a survey done and the results of the survey were presented to the Board. The survey confirmed that the variance request was actually eleven feet not ten feet.

It was noted that the variance request, submitted by Mr. Dodge, was being modified from the requested 10' to 11' from the road-right-of way.

It was noted that the current dwelling is also in violation of the required 65' setback but that the title search never noted this when the Dodge's purchase the property.

Mr. Hogan asked Mr. Kitko, Auburn Township's Zoning Inspector, if he had any questions or concerns. Mr. Kitko indicated that he did not.

Mr. Tomsic indicated that the septic that was designed for the dwelling is for a 2-bedroom dwelling. Mr. Dodge commented that they are only adding a living room area and no other bedrooms. Mr. Tomsic noted the septic tank is in the rear of the dwelling.

Mr. Stewart commented that this request is a 17% variance and that it is very significant. A discussion took place.

Mr. Hogan explained how this variance should be filed with the deed for the property. A discussion took place.

There was no further comments or questions.
