**MEMBER ABSENT:** JEFF PULSFORD, TED VAN HYNING, SCOTT BROCKMAN,

The Public Hearing for Zoning Amendment ZC-2023-01 was called to order by Acting Chairman Dennis Bergansky. The hearing commenced at 7:00 PM.

Roll call was taken by Secretary, Sarah Mulleman. Members present were Mr. Bergansky, Mr. Wein, Mr. Canfield, and Mr. Lackey.

David Dietrich was in attendance.

Mr. Bergansky explained that the purpose of the public hearing was to review the Auburn Township zoning amendment identified at ZC-2023-01. Mr. Bergansky further explained that the amendment is comprised of the following proposed modifications: Drive-Through Facility Regulations; modifying the definition of Recreation facility; adding a definition for a stacking lane for a drive-through facility; modifying Lakes/Ponds Setbacks in Industrial/Commercial Districts; allowing the Zoning Inspector to request a survey if he is not able to correctly process a zoning application; a modification of the time requirement for the Board of Zoning Appeals to approve meeting minutes; and the modification of a road name from 422 to Washington St.

Mr. Bergansky proceeded to comment on the letter from the Geauga County Planning Commission. He explained that the Planning Commission had sent a letter regarding the proposed amendment. The letter suggested that there was items, within the amendment, that should be reconsidered. This four items were communicated to the Zoning Commission in this letter dated March 15, 2023, from Linda M. Crombie, Planning Director, Geauga County Planning Commission. It was noted that a copy of the letter will be placed in the amendment file.

Mr. Bergansky proceeded to discuss the items.

In Item #1 in the letter, Mr. Bergansky indicated that the Planning Commission wanted this proposed modification to be removed regarding commercial shooting ranges. It was explained that an outdoor shooting range would potentially violate sound requirements that are currently in place in the zoning resolution, especially if the commercial shooting range abutted a residential zoning district. The Zoning Commission members decided to leave the proposed item as written.

Regarding Item #2 in the Linda Crombie's letter, a discussion took place regarding the drive-thru menu boards proposed setback from a building. Again the Zoning Commission members decided to leave the amendment as written. The Commission felt that if the location of the menu board becomes an issue in the future, the applicant can apply for a variance or it could be readdressed, if it becomes problematic.

Mr. Bergansky explained that Item #3—had to do with legal descriptions and surveys. It was again explained why the Zoning Inspector needs the authority to be able to require a survey before a permit is issued or before the applicant goes before the Board of Zoning Appeals. It was noted that the past two Board of Zoning Appeals cases required surveys before BZA would hear the case or take a vote. Mr. Dietrich also indicated that the survey could be done on just one lot line when needed and it would not be cost prohibitive. The Commission members decided to leave the modification as written.

Regarding item #4, the Planning Commission felt that the proposed change to sixty (60) days could be adjusted. A discussion took place. It was noted that the reason for the proposed change was so the BZA would not have to schedule a special meeting to just approve meetings minutes in a timely fashion, for the months with a fifth week. The Zoning Commission members decided to modify the amendment to forty (40) days from the proposed sixty (60) days.

There was no public comment. There was also no further comment from the Commission members.

**Motion by Chad Canfield to close the public hearing. The motion was seconded by Jason Wein. Roll call vote: Wein, yes; Bergansky, yes; Canfield, yes; and Lackey, yes.**

After a discussion, the Zoning Commission decided to leave the amendment as is written except for Article 6, Section 6.05(d)(3)(b). The Commission decided to change the section from the proposed sixty (60) days to forty (40) days.

Motion by Jason Wein to approve ZC-2023-01 with the modification as noted on the copy that will be forwarded to the Auburn Township Trustees. The motion was seconded by Chad Canfield. Vote: Wein, yes; Bergansky, yes; Canfield, yes; and Lackey, yes. The motion passed.
