The regular meeting of the Auburn Township Board of Trustees was called to order at 7:00 p.m. by Trustee Chairman Eugene I. McCune Jr. Also in attendance were Trustees Patrick J. Cavanagh and Michael S. Troyan.

The Pledge of Allegiance was led by resident Diane Jones.

GUESTS:

Don Rice, Superintendent of the Metzzenbaum Center (The Geauga County Board of Developmental Disabilities), spoke to the Trustees and audience and gave an update on the services they provide to Geauga County residents.

MINUTE APPROVAL:

Motion by Michael S. Troyan, seconded by Patrick J. Cavanagh, to approve the minutes of the Regular Meeting of the Board of Trustees held on February 17, 2025. VOTE: Cavanagh, yes; Troyan, yes; McCune Jr., abstain. The motion PASSED.

SCHEDULED REPORTS:

Mr. Frank Kitko, Zoning Inspector, submitted a Zoning report reflecting 7 applications submitted in the month of February 2025.

Mr. Kitko spoke to the Trustees about two bills that are in the Ohio legislature. One would allow short term rentals in any Village, City, or Township. A registration fee of \$20.00 would be required. Mr. Kitko felt the \$20 fee would not even cover the cost to process an application, and initial inspection. Anyone would be able to open an Airbnb at their home. A discussion took place between Mr. Kitko and the Trustees regarding the viability of Airbnb's in Auburn Township. Mr. Cavanagh felt this would be commercial use in a residential district. Mr. Kitko stated the prosecutor's office suggested the Trustees draft a letter and send it to the local legislative representatives, stating they are not in favor of allowing Airbnb's in Auburn Township.

The second bill removes the ability for townships to restrict farm animals in subdivisions. Once a subdivision is 25% complete, agriculture uses are not permitted. Mr. Kitko stated that property with 5 acres or more is allowed agricultural uses.

Mr. Michael Fenstermaker, Highway Superintendent, reported that in February 2025:

- There were 27 rounds of plowing and or salting.
- The total amount of deicing material used was 676 tons. The average salt usage for February is 470 tons - making this month the third highest usage in the past 18 years. They used 139 tons of deicing material last year and have used 2226 tons of salt so far this season. The average amount of salt used in a season is 1709 tons.
- Repairs: Multiple trucks broke down due to multiple rounds of plowing. Truck 14 has an electrical issue with the factory wiring harness that is being investigated. Truck 16 had contaminated fuel that resulted in a tow. Truck 15B, the spare truck, needed an air fitting replaced. Truck 19 needed extensive plow repair.
- Cold patching: They have been out four times filling potholes with cold patch this month.
- Burials: February had two full burials.

Mr. Fenstermaker said the Service Department employees are all doing a great job under the circumstances. Fire Chief John Phillips and the Trustees agreed.

Auburn Fire Chief John Phillips thanked Mr. Fenstermaker for allowing use of the Road Department garage for storage of fire department vehicles during the recent Pancake Breakfast to help with parking availability. Resident Debbie Standley thanked the Fire Department and the Service Department for their help with the Pancake Breakfast. They fed about 546 people, which was about 50 less than last year. They also received some very generous donations.

TRUSTEE & FISCAL OFFICER REPORTS:

Michael S. Troyan wanted to thank the Boy Scouts for the tremendous job they did with the Pancake Breakfast. He felt they were organized and thanked the Fire Department and the Board for taking on this task.

Franchise fees received from Charter Communications totaling \$4769.56.

Motion by Michael S. Troyan and seconded by Patrick J. Cavanagh to deposit \$4769.56 into the Land Acquisition Improvement fund. VOTE: McCune Jr., yes; Cavanagh, yes; Troyan, yes. The motion passed.

Mr. Patrick J. Cavanagh reported quotes are being solicited for repainting the interior at Town Hall & Adam Hall.. He reported they found 10 gallons of unopened paint which they will be able to use.

Mr. McCune Jr. noted that the windows at the town hall need repair.

There was discussion among the Trustees about needed repairs to Adam Hall, the Museum and the Town Hall. The ice build-up this winter developed leaks at Adam Hall resulting in needed repairs to the ceiling.

Mr. Cavanagh noted that the newly installed fuel tanks for the road and fire department are in operation. There were some minor start-up issues that have since been resolved.

Chief Phillips stated Fiscal Officer Dan Matsko developed a spreadsheet separating Fire Department and the Road Department fuel usage. Auburn Township will pay the Melzer's fuel bill monthly and invoice the Fire Department for their share of the fuel. Mr. McCune was concerned in having checks and balances with the filling of vehicles. Chief Phillips and Road Superintendent Mike Fenstermaker noted that fuel usage is being monitored with the aid of an online program.

Eugene T. McCune Jr. reported that he represented Auburn Township at the Girl Scouts awards ceremony presentation at Timmons Elementary school on Sunday, March 2, 2025, and said it was an honor to do that. He gave a thank you on behalf of Auburn Township, and how proud they are of the Girl Scouts.

Mr. Dan Matsko, Fiscal Officer, presented the payment listing for payments processed from February 18, 2025 - listing 13 electronic payments processed for \$51,194.08, and 20 warrants processed for \$423,200.59 totaling \$474,394.67. Hi Nancy,

This email is to confirm I will close both your accounts on 4.16.25 and schedule the removal of the dumpsters for soon after (est. \$350 EA).

I'm sorry we could not make this work out. You had mentioned on one of our calls that WM has never done anything for your community. I wanted to mention that I was able to come to an agreement with the Fire Dept. (I know a separate entity) to keep the WM service at that location. I also will provide (2) free months of service for the Fire Dept. if we were able to keep these two locations.

If anything changes, my quotes are still valid until the dumpsters are removed, and will still provide free service to the fire dept.

Thank You
