June 2026

To the Residents of:

Colchester Drive, Derbyshire Lane, Saybrook Lane, Downey Glen Trail, Chickashay Lane, Auburndale Drive, Eastwood Drive, Normandy Lane, Lancaster Drive and Whie Oak Drive

Your road is scheduled to be resurfaced as part of a township wide project under the direction of the Geauga County Engineer's office starting on or about June 15 and lasting up to 28 days. No closures are expected, but temporary delays may be possible.

Any plantings, decorative stones, pavers, etc. within 2' of the road edge should be moved. A 2' gravel berm will be installed to prevent fracturing and sloughing of the road edge.

Mail boxes will be adjusted to conform to postal specifications. Boxes that cannot have their height adjusted by the contractor will fall under responsibility of the homeowner.

We are sorry for any inconvenience this may cause you. Please feel free to contact our office if you have any questions or concerns.

Regards,

PJ Cavanagh
Auburn Township Trustee
