REPORTS:

- With the Capital Improvement projects finishing up all that was left were punch list items and minor issues. The asphalt resurfacing of various roads was completed with just the line striping remaining. Projects for the 2023 construction season have been submitted to the engineer's office and some of preliminary work will begin this fall.
- The roadside mower was out but is still experiencing electrical gremlins. Despite recent repair the intermittent problem still persists and will need to be serviced. Brush was cleared around several signs and intersections to improve sight distance.
- We had one drive pipe replacement on Creighton Dr. and one small ditching project on Brookfield Dr. Erosion issues on Stafford Rd. were addressed with 1 ton of #1 gravel.
- Asphalt patching was done on several roads as well as bleed through control on chip sealed roads.

REPORTS (continued):
